

PURSUIT

Psalm 119

Directions to the Hicks Lake House

You will take I 20 West to exit 406—you will take a right at the stop sign

Stay straight until you get the stop light (you will first go through a 4-way stop)-- you are going to go left, but you have to go all the way a crossed on to 180

Follow 180 all the way through Mineral Wells until you get the flashing yellow lights, which is 337-- turn right there

Take 337 all the way down until you get to a stop sign, which is 254, you will go left there

Take 254 around and the road will 'Y'-- stay to the left on the 'Y'

Now you will be looking for Park Road 36-- it is after a set of condos on the right-- take a right there.

Stay straight, you will go through one set of stop signs-- when you get to the next set, it is kind of weird, you will have to go left and then come up on a stop sign.

When you get there, the road to the house is Red Bird -- you will see it on your left (it is an immediate left after the stop sign) the road will 'Y' again-- and you need to stay to the right

The house is the last one on the right before you enter into a 'gated' type house on the end.

Address: 3749 Juniper Lane, Graford, TX

Billie Cell if you have trouble : 817.266.4492
