Weatherford, TX

Chicken Express
1711 Bethel Rd.
Weatherford, TX

There are several more that are along the way that people will easily see off the highway in Weatherford and then there are some more fast food places (i.e. Dairy Queen) in the next town, Mineral Wells...but there is not much more, if any, past Mineral Wells, so I would suggest the latest to wait and eat is right there in the main town of Mineral Wells.
